Profile

Throughout my career, I've had the opportunity to collaborate with clients and organizations across diverse sectors, including politics, education, industrial equipment, medical fields & nonprofits.

Over the past 10+ years, I've honed my design and development skills while leading departments, coaching employees, and mentoring interns. I'm always eager to explore new opportunities to help businesses grow and strengthen their teams. I'm adaptable and willing to take on various roles to contribute wherever my skills are most valuable.
